

**Keeping you  
safe**

**The Rider Accident  
&  
Equipment Reporting  
Form**

**Help us make our sport  
safer!**

---

**BETA is collecting information to  
understand better what happens  
to our hats and body protectors  
during an accident.**

**It is key to both design better  
and safer equipment as well as  
feed into the safety standards  
that determine how these  
garments perform.**

**How can you help?**

---

**If you have had an accident  
scan the QR code with your  
phone camera and fill in our  
form.**

**Also, share it with your  
horsey friends.**

**You can also order a card  
with the code and keep it in  
your wallet.**

**Email us on [info@beta-uk.org](mailto:info@beta-uk.org)**
