

We are delighted that we are one of the official sponsors of the National Equine Forum (NEF) in March 2022. As we will both be celebrating 30th anniversaries, it seemed fitting that we should give back to NEF this year.

Founded in 1988 by Rosemary Kind the Mare and Foal Sanctuary has been a charity since 1992. We give lifelong, life-changing loving care and support to horses and ponies who have been abandoned, abused or neglected.

We also give life-changing support to children, young people and adults through equine assisted learning with our people-oriented ponies.

Focused on the South West Peninsula, we offer welfare outreach and advice across Cornwall, Devon, Dorset and Somerset. We collaborate closely with other members of the National Equine Welfare Council.
