About The Mare and Foal Sanctuary

The Mare and Foal Sanctuary is the place for people who want to make a difference to the lives of foals, horses and ponies.

We rescue horses and ponies that have been abandoned, neglected or abused and give them sanctuary for life in our peaceful, Devon-based sanctuaries and through our network of knowledgeable carers.

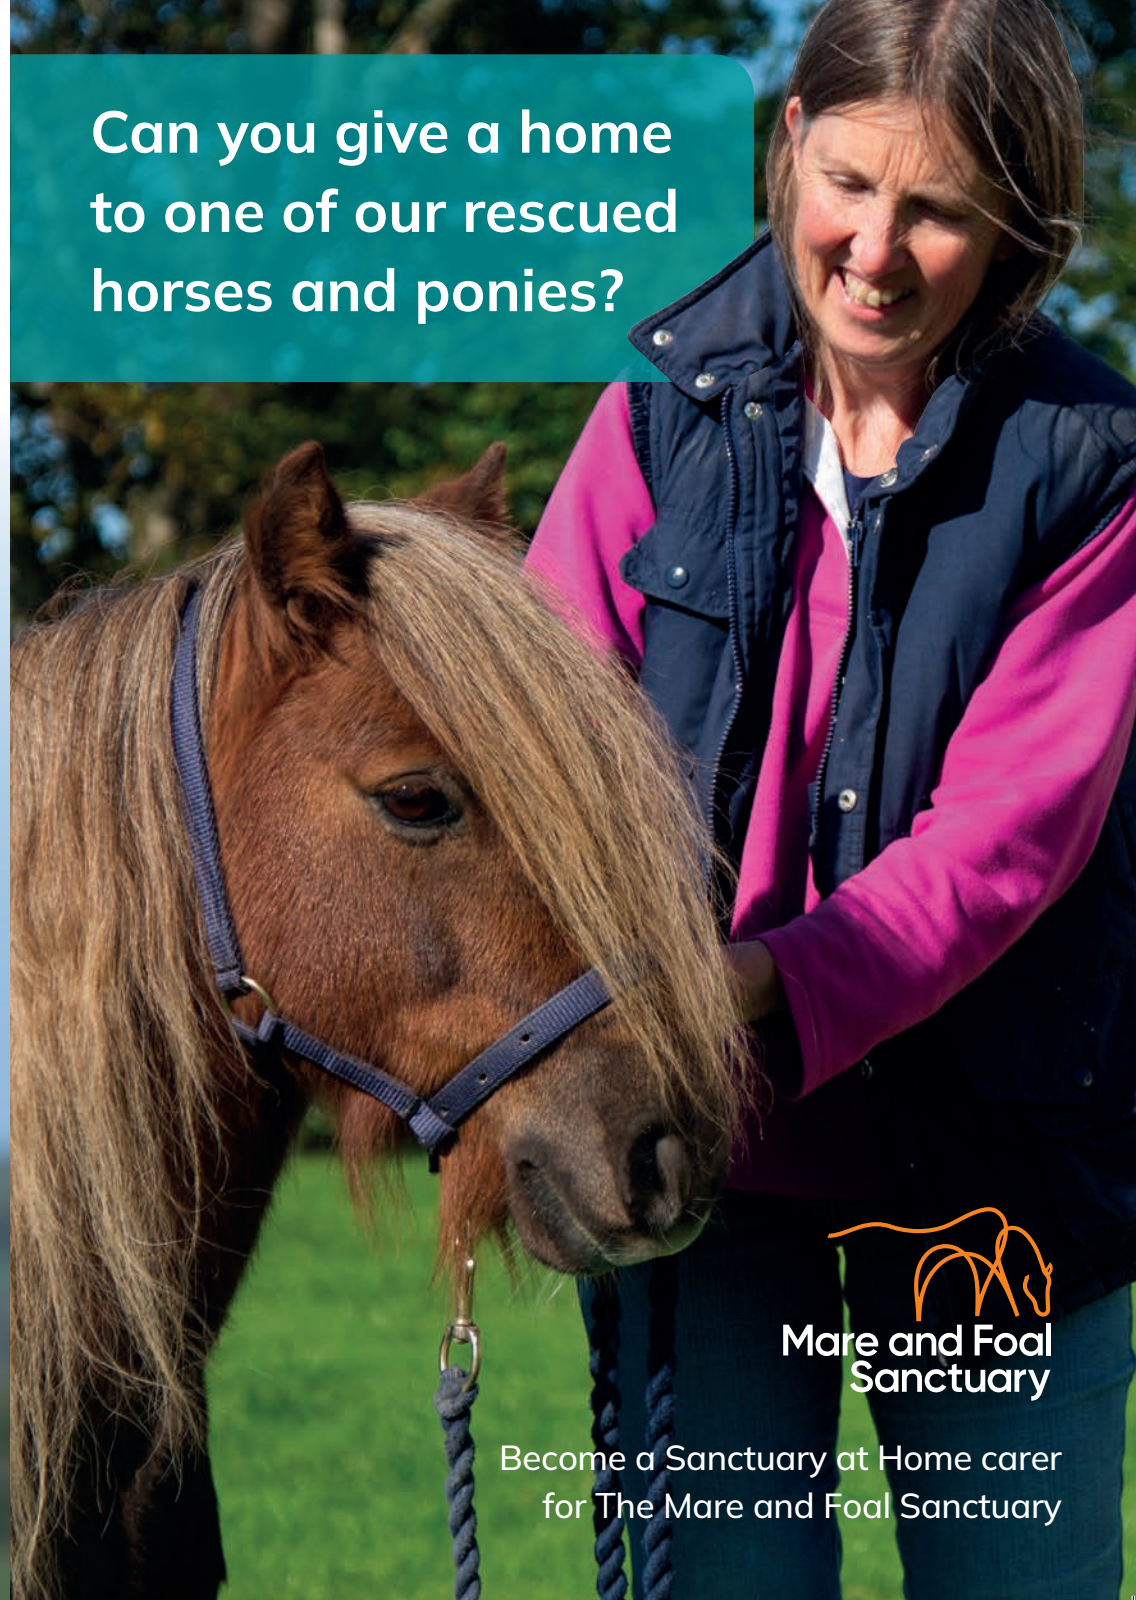

We are part of the National Equine Welfare Council and give non-judgemental advice and no-shame support to any horse or pony carer.

The Mare and Foal Sanctuary is a charity registered in England and Wales No. 114183 and a company limited by guarantee registered in England and Wales (No.7584914)

Become a Sanctuary at Home carer
for The Mare and Foal Sanctuary

Becoming a Sanctuary at Home carer means you help provide a sanctuary at home for as many years as you can for a horse or pony from our charity on a loan basis.

For every equine we rescue, we must also ensure they have lifelong care. Our carers who rehome through our Sanctuary at Home scheme are a group of very special people who help make this possible for over 400 horses and ponies today.

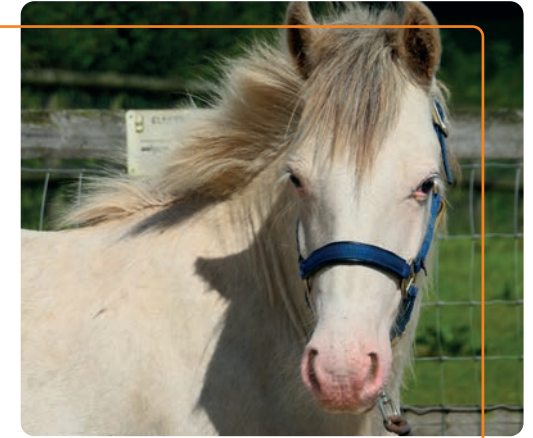

We have a dedicated team managing our rehoming scheme and their job is to help find the right equine for you and then support you throughout your rehoming experience.

If you can offer a home to one of our rescued horses and ponies, please visit our website www.mareandfoal.org/rehoming-horses or call **01626 355969**.

We love seeing the difference horses and ponies make in people's lives and the difference people make in their lives

"They're my magic"

Idris and Shiraz were two of 15 cob ponies rescued in 2019 as part of a multi-agency operation. Their Sanctuary at Home carer explains the difference they have made to her life: "Idris and Shiraz have enriched our lives and provide a level of wellbeing I never thought was possible. I work for the NHS in a patient-facing role and these boys are my magic. It feels like they rescued me - and I never knew I needed rescuing. Supporting and caring for them is so joyful!"

What are the benefits of our Sanctuary at Home scheme?

For the horse or pony

- they can enjoy one to-one care, love and attention at the home you provide, which could be at your own home, livery yard or other ideal setting
- they continue to have the safe sanctuary they deserve

For you

- you join a group of very special people who support The Mare and Foal Sanctuary in the most amazing way
- you have access to friendly advice and support from our dedicated team whenever you need it
- there's peace of mind should your circumstances change and you can no longer provide sanctuary at home
- some of our horses or ponies with manageable health conditions are supported through our Prime Pastures scheme where we contribute towards their vet and care fees

For The Mare and Foal Sanctuary

- enables space to be created at our peaceful sanctuaries for more horses and ponies in need
- helps sustain our work to rescue other horses and ponies, as you take on the routine care and veterinary costs of a previously rescued horse or pony
- enables us to connect more people together who love and value horses and ponies as much as we do
