

Will you be a future carer for Sherbert?

We have rescued horses and ponies ready for rehoming now.

Becoming a Sanctuary at Home carer means you help provide a sanctuary at home for as many years as you can for a horse or pony from our charity on a loan basis.

Rehoming is a very rewarding experience and enables space to be created at our peaceful sanctuaries for more horses and ponies in need.

You'll have access to friendly advice and support from our dedicated team whenever you need it. And there's peace of mind should your circumstances change, and you can no longer provide sanctuary at home.

View horses and ponies ready for rehoming and apply online at: <https://www.mareandfoal.org/our-work/rehoming/>
